

Surrey Volleyball Association

Referee and Coaching Bursary Application form

Applicant:

Sponsoring Club:

Course & Date:

Statement

The Surrey Volleyball Association (SVA) is committed to both increasing participation and raising playing standards for all variations of the sport of volleyball within the county of Surrey.

To help achieve this goal the SVA committee have set aside an amount of money each year to support people taking coaching and refereeing qualifications in the form of bursaries. In order to fairly distribute these and to ensure that the SVA achieve a lasting impact from their investment, we ask all applicants to complete this form along with their sponsoring club.

Applicant Background

We are looking for details of the applicants career in Volleyball (or other sports), how long you have been playing and at what level. How long you have been a member at the Sponsoring Club and details of any volunteering you have done there.

Sponsoring Club

Details of the Sponsoring Club, such as the size of club membership, number of teams, the number of training session and details of any development / outreach programmes you run.

Surrey Volleyball Association

Activity details

Here we are looking for details of the activity you will undertake as a result of receiving the Bursary such as matches you will be able to officiate or sessions you will coach or assist at.

Support and Development

We are well aware of the difficulties a newly qualified coach/referee faces in the early weeks and months after qualification. So in this section we are looking at the ways that the sponsoring club will support the applicant. This could be in the form of mentoring the applicant, or having them act as an assistant coach or second refereeing at matches

Measures and Timescales

How will the Activity and Support and Development provided by the club be measured and over what time frame will this take place.

For example – The newly qualified coach will act as an assistant coach at the clubs xyz training session for 10 weeks and will take part in a monthly planning and evaluation meeting with the clubs Head Coach.

Or

The newly qualified referee will act as second referee for club matches over a 6 week period.
